African Diaspora Business & Investment Forum

26 - 27 April 2013

Bonn - Germany

Introduction

The JANERO Consultancy GmbH, together with its partners, is organising an African Diaspora Business and Investment Promotion Forum in Bonn, Germany.

As the **only dedicated** African Diaspora Business and Investment event held in the nation's former capital, the **Diaspora Business & Investment Forum** is a high profile meeting point bringing together global investors, to take a focused look at investment opportunities in Africa.

From **banking, venture capital and private equity**, to **tax and debt** finance for investment projects; to **institutional investors** looking for reliable long term returns- the forum welcomes companies and investors alike to examine new investment avenues and forge new partnerships.

Aim

The aim is to enable producers, developers, utilities, manufacturers, suppliers, large energy consumers, investors & lenders, municipalities, and governments, explore the business and investment potentials of the African markets, to build new business relations and also strengthen the Diaspora position of African and European entrepreneurs in the different countries.

Key topics to be addressed will include:

- Policies to strengthen financial institutions and projects in Africa;
- Investments from African banks as related to European Banks;
- Renewable energy markets available in the African countries;
- Strategic and institutional investment available to private sector businesses;
- Federal and state funding available and how to get it;
- Private equity and expansion capital;
- Early stage Venture Capital investment;
- Balancing project finance with tax equity, debts, and other methods

Investment opportunities across some of the key sectors are:

- Renewable Energies;
- Industrial & Manufacturing;
- Oil & Gas Exploration,
- Infrastructure,
- Real Estate Development,
- Health,
- Agribusiness, and more.....!

What's in it for you?

- Factors that are fundamental to ensuring that your project gets financed.
- Where future finance lies from public and private sources.
- Critical milestones to securing investments.
- Roundtable discussions on how different finance systems work.

Language

Conference language is English. Translation services for French and German will be provided in certain cases.
