Graduate School Admissions Seminar

5th October 2012

Accra - Ghana

The JANERO Consultancy University Admissions Department (JCUAD) provides the best admissions counseling possible to aspiring college and graduate students in gaining admission to Universities in Europe and North America.

Seminar Outline

It is without doubt that a quality foreign education experience will greatly broaden a student's horizons and perspectives while developing new levels of independence and self-confidence. However, students enrolling in schools abroad can be a complex and overwhelming process, often tagged with confusion and difficulties in preparing for each phase of the application.

JCUAD's Seminar aims to introduce the application processes to Universities and colleges in Europe and North America. We will walk through the most decisive factors in determining admittance, as well as the multi-year education planning that must take place before the application. Explaining what you need to do, how to do it and when to start.

The seminar will cover

- How foreign universities and colleges evaluate applicants;
- Successfully navigating the graduate school admissions process;
- Writing targeted application essays;
- How to grab the admissions teams' attention;
- What makes a great letter of recommendation;
- Financing your education abroad;
- Interviewing tips.
